

## Our Aims:

1. To inform and educate understanding of a secular state.
2. To combat the disproportionate representation and influence that faith groups enjoy.
3. To lobby for an opt **in** policy for religious instruction in schools.
4. To combat the disproportionate representation and influence that faith groups enjoy.
5. To lobby the BBC on tax payer's money being used to promote religion in a disproportionate manner.
6. To lobby against public funding for issues of faith.
